

## **Open Doors**

02.04

Present: sascha, marina, miche

1. Melania stops by
  - We talk about the 12 questions and evaluation
  - Change within the academy
  - Being between eras, decisive moment
2. Mental Health week
  - 3 questions; make a box, approach people:
    1. What comes to mind when you think of mental health at KABK?
    2. How would you describe the overall environment at KABK?
    3. What issues have you faced here? Do you know where and how to seek support?

Our aims for the week:

- Clear understanding of the rules, rights and processes (what is in place)
- Getting an understanding of what students are struggling with (what do we need)
- Gathering a union to take this information further (what next)
- Create a zine
