## **Notes meeting canteen 11.06**

### How can the building take place? Session during the beginning of the semester

- 2 x 1 hour for a group of 120 students -
- Ola - no real time during the introduction days - we cannot have the common ground slot during the introduction days
- Possibility to use the digest session of the interior architecture department in September of the common ground - 3 hours session in September
- Common ground will proceed with this - ask the heads of interior architecture about this

### Names and initiatives

- Making groups clear - who is who?
- Who are the groups? Who is the student canteen, who is the student union?
- Can we make a small description? Can it go on the portal?

### Student lounge

- 5000€ to use for the space - needs to be used in 2025
- Can that be used together?
- Defined by the academy - to make clear what the expectations are?

### Production of the kitchen

- Build down of the grad show - recycling
- 09-11.06 recycling of still usable material → did not really work because students just wanted to leave
- Getting materials might have to be facilitated by us
- Storage: there is space to store it in the basement (but not eternally)

•

- Usage of the mobile kitchen to be organised via a form → could be arranged via the rental, or added to asimut
  - who takes the responsibility
  - what is allowed to cook? - vegetarian
- How do we take care of the uptake? What happens with the things that are broken/stolen?
- Boundaries: what can we do?
  - Attaching it to a water hose is possible - drainage?
  - Induction stove possible - no open fire, where in the building can the kitchen be used? (stove for people with dementia)
  - Include a system to extract the steam/smoke
  - Fridge is ok
  - Oven - Lou will ask - need a different power outlet
  - What fire equipment do we need?
